H. J. Weber & Sons Nursery Co.,

Sldney 697.

Nursery, St. Louis Co., Mo.

Nurseries and Office, located on Gravois Road, nine miles south of St. Louis
Court House and one mile west of City Limits in St. Louis Co., Mo.

♦ ♦ ♦

To reach Nurseries—Take "Charokee St. Car Line" from St. Louis to end of Line,
25 minutes walk from there to the Office;
or take St. Louis, Memphis & Southern R. R. from Union Station to Afton, Mo.
10 minutes walk east on Gravois Road.

INTRODUCTORY.

It is with pleasure we present our Fall 1904 and Spring 1905 Price-List covering Trees, Shrubs, Roses and Plants described in our "World's Fair Edition" of our Descriptive Catalogue.

Our plant now covers 250 acres of high, rolling land, on which all of our stock is being grown; the peculiar formation of our soil is specially adapted to the growing of strong, healthy trees, with plenty of fine fibrous roots, so essential in trees that are to be planted on all kinds of soils.

Our packing facilities are the best of any Nursery near **St. Louis**, and all packing and filling of orders is personally superintended by one of the firm and by competent help in the best possible manner; no distance too great for our mode of packing.

We usually commence packing in the fall, about October 15th, and extend to November 15th, or until freezing up, and in spring from March 1st to May 1st, according to weather.

We are always pleased to show visitors through our Nurseries. To reach our grounds take "**Cherokee**" Street Car Line (going south) from St. Louis, to end of line, twenty-five minutes walk west, or take St. Louis, Memphis & Southeastern R. R. from Union Station to Affton, Mo., from where it is only 10 minutes walk east to office.

We extend to all our Patrons our sincere thanks for their liberal favors. To those with whom we have not had the pleasure of dealing, we ask for a careful perusal of what we offer, and if possible, a trial order.

We solicit your correspondence.

Very Respectfully,

H. J. Weber & Sons Nursery Co.

GUARANTEE.—We exercise the greatest care to have every tree and plant true to name, and are ready, on proper proof, to replace anything sent out by us, that may prove untrue to label, free of charge, or refund the money paid for same.

It is understood and agreed between purchasers and ourselves, that we are not to be held liable for any greater sum than that paid us for said trees and plants that prove untrue.

PLEASE READ CAREFULLY.

TERMS, CONDITIONS AND GENERAL REMARKS.

Terms:—Invariably cash, except when otherwise agreed upon.

Remit by P. O. or Express money order on St. Louis, Mo.; Registered Letter or Draft. Please do not send private checks unless drawn on some St. Louis Bank. Address all letters to "H. J. Weber & Sons Nursery Co.," Nursery, Mo.—C. O. D. Orders must be accompanied with one-half the amount in cash.

Free Packing.—We will pack free all orders sold at catalogue prices in the best possible manner, in bales or boxes, with moss.

Free Delivery.—To Freight Depots, Express Offices or Wharfs in St. Louis.

City of St. Louis and Suburban Deliveries.—Parties desiring to receive their orders on certain days or immediately on receipt of order, will please order same shipped by "Merchants" or any other "Local" Express Co. Express charges are to be paid by purchaser. We make no extra charge for the packing or delivering to these Express Offices.

Our Delivery Wagons will make trips to the various sections of St. Louis, but orders to go this way must be left entirely with us as to time of delivery. We combine a number of orders for one section to make a load in making these deliveries, and can not make special trips unless order is large enough to make a load, when we will send an extra wagon.

New Railroad Facilities.—We now have within one-half mile of our packing grounds the "St. Louis, Memphis & Southeastern R. R.," branch of the Frisco—Rock Island System. Our station is Affton, Mo., from which we can make shipments to many points; also carload shipments will be made from this Station. We also have Wells-Fargo Express. This, with the St. Louis facilities, enables us to make prompt shipments to any point, north, south, east and west.

Early Orders.—Customers should send in orders as early as possible; do not wait until the last minute. We are always rushed during the shipping season, and, wishing to serve our patrons to the best of their interests, we kindly ask for early orders wherever possible.

Directions.—Observe carefully that your name, P. O., County and State are plainly written on your order; also state whether to be sent by Freight or Express, and by what route. If no directions are given, we will use our best judgment in the matter.

Errors.—Any error that may occur in filling order must be reported within 5 days after receipt of goods. We will immediately correct same. Complaints entered after the above stated time can not be entertained.

Substitution.—It is customary, should the supply of a variety become exhausted (as will occasionally occur in all establishments), to substitute in its place a similar sort, if there is such, always labeling correctly. Should it be desirable for us not to do this, please state "No Substitution" on your order.

Persons Unacquainted with the different varieties can leave the selection to us, in which case we will select as if planting for ourselves.

Every Care is taken to secure safe and prompt transportation. The forwarders alone must be held responsible for loss or delay in transit.

SPECIAL NOTICE.

All stock will be sent out in good condition; we do not guarantee stock to live under all conditions, nor do we make up any loss whatever due to climate effects, or after culture on the part of the purchaser — On receipt of stock open package at once and ascertain condition of same, check up varieties and compare with your order and report to us at once. (If package has been frosted en-route or become dry, treat as per instructions given in Catalogue.) (page 5). We can not entertain complaints unless made promptly on receipt of stock.

Inspection.—Our nurseries are annually inspected by the State Entomologist, and have been found free of San Jose Scale and other dangerous insects and diseases. A copy of certificate of inspection will be attached to every package that leaves our establishment.

Fumigation.—Having built our own "Fumigatorium," we will fumigate with "Hydrocyanic Acid Gas," all stock sent to the States where same is required by law. Should any of our customers request us to "fumigate" their stock, we will be pleased to do so, free of extra charge.

NOTICE: THE PRICES IN THIS LIST ABROGATE PREVIOUS QUOTATIONS, AND ARE MADE ON STOCK TO BE STRICTLY FIRST CLASS OF THE GRADES NAMED. PLEASE DO NOT COMPARE OUR PRICES WITH FIRMS QUOTING ON MAILING SIZE TREES AND PLANTS ONLY.

ORNAMENTAL DEPARTMENT.

Our Ornamental Department is now one of the largest and most complete, (if not the largest) in the west, we invite careful perusal of our offerings and if possible, inspection of stock.

Special attention is given to the supplying of Public and Private Parks, Estates, Subdivisions, Pleasure Grounds, Club grounds, Railroad Companies for station grounds, etc.

On large lists of stock we request a list of wants for special prices.

If you have not received our Descriptive Catalogue, or have misplaced same, send for another.
